Intro: Em G Am C
                                                                                Em G Am C
                                                                                Em G Am C
                                                                                Em G Am C
        When you said that i wouldnt treat you
        Better that he can
        When you think that i wouldnt miss you
      Then just think again
                                                                                                                                                                                                                                                                                                                                                                                              Am
        I know, i know that i always be there waiting for someone % \left( 1\right) =\left( 1\right) \left( 1\right) \left(
      I know, i know that i always be there waiting for the sun
 [Ponte] Em G Am C
                                            Em G Am C
        I was the one who tried
Am C
      You waste my time
Em G
      You made me cry
Em G
      When you said goodbye
      On My Own
Am
      On my Own And left behind
```

```
On My Own
Am
On my Own And left behind
(Em G Am C)
(Em G Am C)
( Em G Am C )
( Em G Am C )
I know, i know that i always be there waiting for someone
                                Am
                    G
I know, i know that i always be there waiting for the sun
I was the one who tried
Am C
You waste my time
Em G
You made me cry
Em G
When you said goodbye
On My Own
Am C
On my Own And left behind
On My Own
On my Own And left behind
