|: [3] [/ / / /] :|

E7 **G** **A**
Standing in the middle of a forest

E7 **G** **A**
Basking in the glorious autumn

E7 **G** **A**
Watching the leaves as they change from green

E7
> From green to orange, yellow and brown

G **A** **D** **2** **D** **2** **E7** **G** **A**
I\'m falling down, I\'m falling down

My emotions are deceiving me

Blinding my eyes from my nature
Robbing my quiet solitude
Of tranquility, of tranquility
I\'m falling down, I\'m falling down

Chorus:

E **D2** **C7M**
Oh, let these falling leaves cover me

D2 **E**
Let me sink into the ground

Never to be, never to be found

Let me sink into the ground

D2 **E7** **G** **A**
Never to be found
