E7 G A
Standing in the middle of a forest
E7 G A
Basking in the glorious autumn
E7 G A
Watching the leaves as they change from green
E7
>From green to orange, yellow and brown
G A D 2 D 2 E7 G A
I\'m falling down, I\'m falling down

My emotions are deceiving me

Blinding my eyes from my nature
Robbing my quiet solitude
Of tranquility, of tranquility
I\'m falling down, I\'m falling down

Chorus:

E D2 C7M
Oh, let these falling leaves cover me
D2 E
Let me sink into the ground

Never to be, never to be found
C7M
Let me sink into the ground

Never to be found
