E7 G A  
Standing in the middle of a forest  
E7 G A  
Basking in the glorious autumn  
E7 G A  
Watching the leaves as they change from green  
E7  
>From green to orange, yellow and brown  
G A D 2 D 2 E7 G A  
I\'m falling down, I\'m falling down

My emotions are deceiving me

Blinding my eyes from my nature  
Robbing my quiet solitude  
Of tranquility, of tranquility  
I\'m falling down, I\'m falling down

Chorus:

E D2 C7M  
Oh, let these falling leaves cover me  
D2 E  
Let me sink into the ground  
D2  
Never to be, never to be found  
C7M  
Let me sink into the ground  
D2 E7 G A  
Never to be found
