 Let me let me know what makes you happy  
 F2 C2 Am7sus G  
 And I'll do it over, over and over again  
 F2 C2 Am7sus G  
 Let me let me know just how you love me  
 F2 C2 Am7sus G  
 VAMP  
 And we'll spin around again in this field of flowers we're in

I wish to quote from Whitman now  
 To show the way I feel, I feel about you, oh about you  
 Because it's a "subtle electric fire" you light in me  
 Every time I see you

 These lyrics are so frivolous they really have no meaning  
 But I wrote them for you  
 And anywhere I would be with you  
 No matter where, but for now we're here
