

Sixpence None The Richer - I Can't Catch You

Tom: C
Intro: D Eb Em7 C G C G C
D Eb Em7 C G C G C

I guess you could say I'm a little afraid I'm a little afraid

What if you go away? I've seen it before, I've been here before.

If I have to love myself, tell me how to love myself, tell me how to love myself

I just want to see that as a person you want me, that as a person you want me

But I'm feeling the pain of all these bags in the way,

And I'm thinking you're just gonna run away,

And I can't catch you.

And I can't catch you.

And I can't catch you.

I guess I would say that I want you to stay, that I want you to stay

'Cause you have this strange knack,

Adds a glow to my black as you chase it all away.

And I hope that you can see I will someday leave these things.

I am waiting to be free.

But I'm feeling the pain of all these bags in the way,

And I'm thinking you're just gonna run away,

And I can't catch you.

And I can't catch you.

And I can't catch you.

Oh, I want to catch you
