 You\re so close and you can\ t even tell

 VAMP  
 I\m so wrapped up inside because I don\ t have much to love  
 Horrified I reel from pits unseen  
 Falling off my pedestal of plentiful deeds  
 C2 Em C  
 As it crumbles down on top of me I contemplate my lack of love

Chorus:  
 Em D C2  
 Come and save my soul before it\ s not too late  
 G2 Em2 D C2  
 I\m not afraid to admit how much I hate myself  
 VAMP (2x)

All these gongs and cymbals ring inside my head  
 Surrendered body to the flames has singed the skin  
 Can\ t speak in tongues and even if I could it\ s nothing  
 Because I cannot love
