

# Sixpence None The Richer - Melody Of You Intro

Tom: **E**

(com acordes na forma de  
Capotraste na 2ª casa  
Sixpence none the richer

Melody of you (intro)

**D** )

Capo 2

Okay, so this is a fingerpicking track with an asynchronous melody and non moving bass line, so your thumb basically repeats itself endlessly during the intro. The melody part is a bit tricky but i've tried to clarify as much as possible

## Acordes
