

Sixpence None The Richer - Thought Menagerie

Tom: A

Vamp: A F#msus A F#msus E D2 A

A F#msus A F#msus
I only want what's mine, that's what I came to find

E D2 A
A little respect that's all, from you

A F#msus A
Because one has his natural right

F#msus
But somehow that doesn't seem right

E D2 A
Not when I look at myself

Chorus:

F#msus Db
I was taken on a trip to see a miniscule menagerie in my soul

F#msus D2
Where all the thoughts have escaped the cage

Db D2

And vamp across the spiritual plain

A F#msus A F#msus
It's like I said before, I've got the right to ignore

E D2 A
The ruin in my self if it involves change

A F#msus A F#msus
And so I lay it down, put my humanistic crown

E D2 A
On the shelf

Chorus (2x)

Dbm D2 A2 E2 Dbm D2 A2 E2

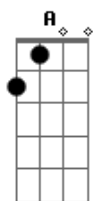

Dbm D2 A2 E2 Dbm D2 A2

D2 A F#msus A F#msus
I think I've changed my mind, I'd rather seek than find

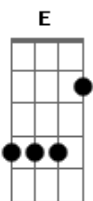

E D2 A
The sorrow from you I won't regret

Chorus
