

Sixpence None The Richer - Tonight

```
Intro: C G C G C G Am7 G D
                                                          It's hard, so hard to know
          G C
                                                          To know where I'm supposed to go
Tonight it's time choose a direction
                                                           A C
C G Am7 G D
If you fail you can make a correction
                                                           A C
 C G C G
                                                          Tonight
Slower now make life faster
C G Am7 G D
Make your mind up for once this time
                                                          Tonight I'm gonna let it go
                                                          And try to let it be
REFRÃO:
                                                          Because I know you'll see
It's hard to know
   D Em7
Where I'm supposed to go
                                                         REFRÃO:
   C
It's hard, so hard to know
  D Em7
To know where I'm supposed to go
                                                          That it's hard to know
                                                            D Em7
Tonight
                                                          Where I'm supposed to go
                                                               C G
                                                          But there is a way
