

# Sixpence None The Richer - Us

Tom: A

Int ( E7 A7 )

E A  
I know we often feel the rub of love  
E A  
that we don't always fit quite hand in glove  
Dbm Gb  
but we live inside of a mystery  
C B7  
and my heart often fails to contain

E A  
and I know that words are not enough  
E A  
when I think of all the endless love  
Dbm Gb  
that you give to me in my time of need  
C B7  
boy, it's high time these words were said {will sell}

Gb B7  
ask for my hand you know I'll give it  
Gb B7  
and if you're cold I give you warmth  
Gb B7  
and I don't care if it's unfair

E D Db7  
'cause I would sacrifice myself  
Gb  
now that I know  
B7  
the only thing that matters  
( E7 A7 )  
us  
us  
us  
us

E A  
it's hard to say what road we're travelling down  
E A  
sometimes it leads us to some awful towns  
Dbm Gb  
but we somehow keep, both our hands and feet  
C B7  
on the floorboard and the steering wheel

Gb B7  
ask for my hand, you know I'll give it  
Gb B7  
and if you're cold I give you warmth  
Gb B7  
and I don't care if it's unfair

E D Db7  
'cause I would sacrifice myself  
Gb  
now that I know  
B7  
the only thing that matters  
( E7 A7 )  
us

Dbm C E  
there was a time I lost my ? eyes  
Dbm C  
there was a day I wasted  
Gb A7 D E  
too much of your golden light

Gb B7  
ask for my hand you know I gave it  
Gb B7  
and if you're cold I give you warmth  
Gb B7  
and I don't care if it's unfair

E D Db7  
'cause I would sacrifice myself  
Gb  
now that I know

the only thing that matters
