

Sixx AM - Skin

tom:

Intro: **Bm** **Gbm** **G** **Bm** **Gb**
Bm **Gbm** **G** **Bm** **Gb**

Paint yourself a picture
 Of what you wish you looked like
 Maybe then they just might
 Feel an ounce of your pain
 Come into focus
 Step out of the shadows
 It's a losing battle
 There's no need to be ashamed

Cause they don't even know you
 All they see is scars
 And they don't see the angel
 Living in your heart
 Let them find the real you
 Buried deep within
 Let them know with all you've got
 That you are not your skin
 (**Gbm** **G** **Bm** **Gb**)

Oh
 And when they start to judge you
 Show them your true colors
 And do onto others

As you'd have done to you
 Just rise above this
 Kill them with your kindness
 Ignorance is blindness
 They're the ones that stand to lose
 'Cause they don't even know you
 All they see is scars
 And they don't see the angel
 Living in your heart
 Let them find the real you
 Buried deep within
 Let them know with all you've got
 That you are not your skin
 Ohhhhhhhhhh
 (**G** **D** **Gb** **Bm**)
 Well they don't even know you
 All they see is scars
 And they don't see the angel
 Living in your heart
 Let them find the real you
 Buried deep within
 Let them know with all you've got
 That you are not
 That you are not your skin
 (**Bm** **Gbm** **G** **Bm** **Gb** **Bm**)
