

Skank - Sing

Tom: A
Intro: Gbm Bm7

Gbm Bm7
Baby, you've been going so crazy
Lately, nothing seems to be going right Gbm
Solo, why do you have to get so low Bm7
You're so... You've been waiting in the sun too long Gbm

(Chorus)
But if you sing, sing, sing A E Bm
Sing, sing, sing, sing A
For the love you bring won't mean a thing E Bm
A

Unless you sing, sing, sing, sing

Gbm Bm7
Colder, crying on your shoulder
Hold her, and tell her everything's gonna be fine Gbm
Surely, you've been going to early Bm7
Hurry, cause no one's gonna be stopped, no, no, no... Gbm

(Chorus)
Gbm Bm7
Baby, there's something going on today
But I say nothing, nothing, nothing, Gbm
Nothing, nothing, nothing, nothing

(Chorus 2X)
