PRE 1:

Lyrics:

CHORUS 1:

Jesus knows my story  
he knows the position that I'm in  
A hooker knows the feeling  
to get fucked the way I've seen  
Turn my  
Insides out  
Your mouth  
Drank my water

(no lyrics)

CHORUS:  
You look at me like I'm subhuman  
You talk to me like I'm subhuman  
You're treating me like I'm subhuman  
You're jumping into the subhuman race

verse 2:

Brothers hear my story  
But don't you take no pity out on me  
A soldier know the feeling  
To get pushed out in a field

PRE 2:

Taking  
Liberties  
Burned  
By your dictation
