Lyrics:

Jesus knows my story
he knows the position that I'm in
A hooker knows the feeling
to get fucked the way I've seen
Turn my
Insides out
Your mouth
Drank my water

CHORUS:
You look at me like I'm subhuman
You talk to me like I'm subhuman
You're treating me like I'm subhuman
You're jumping into the subhuman race

Brothers hear my story
But don't you take no pity out on me
A soldier know the feeling
To get pushed out in a field

Taking
Liberties
Burned
By your dictation
