Make sure to add a lot of squeals to this, I didn't transcribe them, but in the verses and the chorus' the guitarists add TONS of squeals...I didn't get the last part of the solo, it's a mess, the key is Bminor so just run a Bm scale and end on Gb on the G string (11th fret)

=====

She blew my mind behind the wrecking machine
 She was a shitload of trouble called the Subway Queen
 Had a hip with bad habits and a shake that was a bit obscene
 One night I caught her running out the cellar door
 There was about a million people lying flat on the floor
 For such a sweet little lady I would swear she's rotten to the core

She got her hands in the cookie jar
 Smiling like an alligator
 Makin' headlines in the back of her car
 Tight-lipped now but sink ships later

I know a thing or two about -- sweet little sister
 Her mama kill her if she knew what she do -- sweet little sister
 She'll love ya black and blue -- sweet little sister
 Mona Lisa with a new tattoo
 She's my sweet little -- sweet little sister

Every quittin' time is another disease
 Too many cowboys ridin' high shootin' low at the knees
 The back hand boogie is the price you pay for being the squeeze

The pettin's getting heavy got her tongue in her ear
 her friend is doing time for kickin' ass on a queer
 They're in a mental state and all their friends are here

She's tellin' lies through her burgundy lips
 Angel on a mission of mercy
 She'll get you dancin' with the crack of her whip
 Take you up to heaven in her rocket ship

I know a thing or two about -- sweet little sister
 Her mama kill her if she knew what she do -- sweet little sister
 She'll love ya black and blue -- sweet little sister
 Mona Lisa with a new tattoo
 She's my sweet little -- sweet little sister

She got her hands in the cookie jar smiling like an alligator
 Makin' headlines in the back of her car
 Tight-lipped now but sink ships later

I know a thing or two about -- sweet little sister
 Her mama kill her if she knew what she do -- sweet little sister
 She'll love ya black and blue -- sweet little sister
 Mona Lisa with a new tattoo
 She's my sweet little -- sweet little sister
