

Skillet - Collide

Tom: E
Intro: dução

Db A E B

We have fallen
We have fallen again tonight
Where do we go from here
When they're tearing down our lives?
When all they want is
When all they want is
For us to live in fear
How long can we hold on?
Can we hold on?
Hold on

Db A E
There's something deep inside

That keeps my faith alive

When all you can do

Is hide from the fear

That's deep inside of you

Something, something, something

Something, something, something

To hold me close when I don't know

There's something deep inside

That keeps my faith alive

Db A E B
We are healing
But it's killing us inside
Can we take a chance?
When faith and fear collide
We can make it
Step out and take it
We can't live feeling so numb
How long can we hold on?
Can we hold on?
Hold on
