

Skillet - Hey You I Love Your Soul

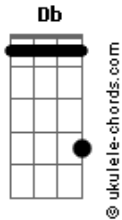

love your soul. This song has some distortion & some wah-wah so you may have to steal one from your closest guitarist. Anyways... i'm only going to put the main parts.. If you want to know anything about the solo, or any of the rest of the song just email me at: Oh yea I still don't have the chorus down so I didn't list it, but i did list the chords played in the chorus
Lick one: (played during prechorus & Intro)

```
G|-----|
