

Skillet - Kill Me Heal Me

Tom: **A**

Album: Alien Youth
Tabbed By: Steven Rehbein

The correct tuning is CGCFAD. To do this, just drop D, then drop all notes one full step.
Intro: - 3 times

Verse 1 (very little guitar)

(Play at 0:37)

This 3 times (Listen to the song to get exact timing)

Then some weird guitar stuff going on, or synthesizer, not sure which

Chorus: (Play 2 times)

Intro: Again (Play Once) (1:21)

Verse 2

Play this 3 times:

Then some weird guitar stuff, then

This once:

This 3 more times:

(More weird guitar stuff)

Then this once, and then immediately to chorus:

Chorus: (Play 2 times)

Bridge (2:16) (Play twice)

I can't live without it

Drums, bass, and effects only (2:23) , then

Bridge (2:25) (Play twice more):

Intro: Again (Play Twice then immediately go to chorus)

Chorus: (Play 4 times)

Outro: (3:25)

That's all! It's a pretty tight song, finally have the correct version up there. If you have any comments questions, email me at skillet@lojalele.com.br. In Christ
