

Skillet - One Day Too Late

Tom: C

C
Tick tick hear the clock countdown
G
Wish the minute hand could be rewound
Am
So much to do and so much I need to say
F
Will tomorrow be too late
C
Feel the moment slip into the past
G
Like sand through an hourglass
Am
In the madness I guess I just forget
F
To do all the things I said

G Am F
Time passes by
Never thought I'd wind up
G Am F
One step behind
Now I've made my mind up

C
Today I'm gonna try a little harder
G
Gonna make every minute last longer
Am
Gonna learn to forgive and forget
F
'Cause we don't have long, gonna make the most of it
C
Today I'm gonna love my enemies
G
Reach out to somebody who needs me
Am
Make a change, make the world a better place
F C
'Cause tomorrow could be one day too late
F
One day too late
C
One day too late

Here's my chance for a new beginning

I saved the best for a better ending
