

# Skillet - Savior

Tom: G

Em D G  
 I'm everything you've wanted  
 I am the one who's haunting you  
 I am the eyes inside of you  
 Stare back at you  
Em D G  
 There's nothing left to lose  
 There's nothing left to prove  
 Surrender your love  
 It's all you can do, yeah  
Em  
 What you got  
 What you want  
 What you need

D C  
 Gonna be your savior  
Em D  
 Everything's gonna crash and break  
C  
 But I know, yeah, I know  
Em  
 What you got  
 What you want  
 What you need  
D C  
 Gonna be your savior  
Em D  
 Everything's gonna crash and break  
C  
 Your savior

## Acordes
