

# Skillet - The Last Night

Tom: D

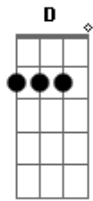

You come to me with your scars on your wrist  
 You tell me this will be the last night feeling like this

**Bm**  
 I just came to say goodbye  
**Gm Gbm** I didn't want you to see me cry, I'm fine **E**  
**Bm A**  
 But I know it's a lie

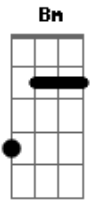

**Gm Bm**  
 This is the last night you'll spend alone  
**D A**  
 Look me in the eyes so I know you know  
**Gm Bm A Gm**  
 I'm everywhere you want me to be  
**Bm**  
 The last night you'll spend alone  
**D A**  
 I'll wrap you in my arms and I won't let go  
**Gm Bm A Gm**  
 I'm everything You need me to be

Verse 2 intro: **Bm Gm Gbm**

Your parents say everything is your fault  
 But they don't know you like I know you they don't know you at all

**Bm**  
 I'm so sick of when they say  
**Gm Gbm** It's just a phase, you'll be o.k. you're fine **Em**  
**Gm Gbm**  
 But I know it's a lie

The night is so long when everything's wrong  
 If you give me a chance  
 I will help you hold on  
 Tonight  
 Tonight

**Gm Bm D**  
 I won't let you say goodbye  
**A Gm Bm A**  
 And I'll be your reason why  
**Em Gm**  
 The last night away from me

Away from me
