

# Skillet - The Older I Get

Tom: C

Am The walls between G  
 Dm You and I

Always pushing us apart nothing left but scars fight after fight F G

Am The space between G  
 Dm Our calm and rage

Started growing shorter, disappearing slowly day after day F G

Dm I was sitting there waiting in my room for you C G Dm

You were waiting for me too C

And it makes me wonder G

C The older I get G

Will I get over it Dm

It's been way too long for the times we missed Am F G

I didn't know that it would hurt like this but I think C

C The older I get G

Maybe I'll get over it Dm

It's been way too long for the times we missed Am F G

I can't believe it still hurts like this (Am G)

Am The time between G  
 Dm Those cutting words

Built up our defenses never made no sense it just made me hurt F G

Am Do you believe G  
 Dm That time heals all wounds

It started getting better but it's easy not to fight when I'm not with you F G

Dm I was sitting there waiting in my room for you C G Dm

You were waiting for me too C

And it makes me wonder G

C The older I get G

Will I get over it Dm

It's been way too long for the times we missed Am F G

I didn't know that it would hurt like this but I think C

C The older I get G

Maybe I'll get over it Dm

It's been way too long for the times we missed Am F G

I can't believe it still hurts like this C

What was I waiting for G

I should've taken less and given you more Dm

I should've weathered the storm F

I need to say so bad C

What were you waiting for G

This could have been the best we ever had Dm F

C The older I get G

Will I get over it Dm

It's been way too long for the times we missed Am F G

I didn't know that it would hurt like this C

But I think G

The older I get G

Maybe I'll get over it Dm

It's been way too long for the times we missed Am F G

I can't believe it still hurts like this C

Hurts like this G

I'm just getting older Dm

I'm not getting over you I'm trying to F G

I wish it didn't hurt like this C

It's been way too long for the times we missed Dm Am

I can't believe it still hurts like this F G C
