

# Skillet - Watching For Comets

Tom: C

Am F C  
You burn so bright I see stars

G  
The way you laugh is like a heavenly choir

Am F C  
You made me feel invincible

G  
When you're with me I can take on the world

Am F C G  
You are a comet and I lost it

Am F C G  
Watching for comets will I see you again

Am F Am F Am F  
You burn so bright burn me up tonight

Am F C  
Say my name I'll be there

G Am  
Do you know that you're the sign that I care

F C  
It's not too late for broken hearts

G Am  
Take my hand and make a wish on a star

F C G  
You are a comet and I lost it

Am F C G  
Watching for comets will I see you again

F G Am  
Everybody needs someone that they can feel like this

C  
How can I breathe with this burning in my chest

F G Am  
You are gone so fast I want you back

Am F C G  
You are a comet and I lost it (I'll find my wings and fly)

Am F C G  
Watching for comets will I see you again (So find your wings and fly)

Dm Am G  
Now I see you I'm frozen in time

Dm Am G  
All your colors burst into life

C G Am  
I don't dare close my eyes because

F G G  
I love like this happens once in a lifetime

Am F C G  
You are a comet and I lost it

Am F C G  
Watching for comets will I see you again

F G Am  
Everybody needs someone that they can feel like this

C  
How can I breathe with this burning in my chest

F G  
You are gone so fast I want you back

Am F C G  
You are a comet and I lost it

Am F C G  
Watching for comets will I see you again

Am F C  
You burn so bright burn me up tonight
