

# Skillet - Would It Matter

Tom: Ab

(com acordes na forma de Capotraste na 4ª casa E )

Verso 1:

If I wasn't here tomorrow, would anybody care?  
 If my time was up I'd wanna know you were happy I was there  
 if I wasn't here tomorrow would anyone lose sleep?  
 if I wasn't hard and hollow then maybe you would miss me

Pré-Refrão:

I know I'm a mess and I wanna be someone, someone that I'd like better  
 I can never forget, so don't remind me of it forever

Refrão:

What if I just pulled myself together, would it matter at all?  
 What if I just tried not to remember, would it matter at all?  
 All the chances that have passed me by, would it matter if I gave it one more try?  
 Would it matter at all?

Verso 2:

if I wasn't here tomorrow, would anybody care?  
 Still stuck inside this sorrow, I got nothing and going nowhere

Pré-Refrão:

I know I'm a mess and I wanna be someone, someone that I'd like better  
 I can never forget, so don't remind me of it forever

Refrão:

What if I just pulled myself together, would it matter at all?  
 What if I just tried not to remember, would it matter at all?  
 All the chances that have passed me by, would it matter if I gave it one more try?  
 Would it matter at all?
