[Ponte]

Deep down in everyone, there's a little fire  
 Let me get higher, I'll fuel the fire  
 Already high up, I'll take you higher  
 Real conga nyah, girls admire, well  
 Living, we growing with pride  
 Em All of the lions, we strive  
 Am Working so hard to unite  
 Bm United, we tired of lies, tired of lies

[Refrão]
