

Sky Ferreira - You're Not The One

Tom: E

E B Dbm A (x4)

E B Dbm A
Dreams stay with you

E B
Always on my mind

Dbm A
I got a lust for lies

E B Dbm A
Seasons bring truth

E B Dbm A
When I found mine, it was summertime

E B Dbm A
It's the middle of the night and I'm so gone

E B
And I'm thinking about how much I need you

Dbm A
But you really want somebody else

E B Dbm A
Should be given the right to carry on

E B
I'm still thinking about how much I need you

Dbm A
But you really want somebody else

E B Dbm A
You're not the one

E B Dbm A
Guess you're not the one

E B Dbm A (x2)

E B Dbm A
Streets like a zoo

E B Dbm A
Through a city of lights, love at first sight

E B Dbm A
Silent rays of blue

E B
They slowly glide

Dbm A
Right down my spine

E B Dbm A
It's the middle of the night and I'm so gone

E B
And I'm thinking about how much I need you

Dbm A
But you really want somebody else

E B Dbm A
Should be given the right to carry on

E B
I'm still thinking about how much I need you

Dbm A
But you really want somebody else

E B Dbm A
You're not the one

E B Dbm A
Guess you're not the one

Dbm B
I was enjoying the ride

Dbm B A
And now we're standing on the graveside

Dbm B
Left unsatisfied

Dbm B
I won't even bother to fight

A E B Dbm A
I know you're not the one

E B Dbm A
You're not the one

E B Dbm A
You're not the one

E B Dbm A
You're not the one

E B Dbm A
You're not the one

E B Dbm A
Guess you're not the one

E B Dbm A
You're not the one

E B Dbm A
Guess you're not the one
