

Skylar Grey - Everything I Need

Tom: G

[Primeira Parte]

Born on
The wrong side of the ocean
With all the tides against you
You never thought, you'd be much good for anyone
But that's so far from the truth

[Pré-Refrão]

I know there's pain in your heart
And you're covered in scars
Wish you could see what I do

[Refrão]

'Cause, baby, everything you are
Is everything I need
You're everything to me
Baby every single part is who you're meant to be
'Cause you were meant for me, and you are everything I need

[Segunda Parte]

Born on the wrong side of the ocean

You can say I'm wrong, you can turn your back against me
But I am here to stay (I am here to stay)
Like the seas, she keeps kissing the shoreline
No matter how many times, he pushes her away

[Refrão]

'Cause, baby, everything you are
Is everything I need
You're everything to me
Baby every single part is who you're meant to be
'Cause you were meant for me, and you are everything I?
And everything happens for a reason
It's all a blessing in disguise
I used to question who I was but now I see
The answer's in your eyes
'Cause, baby, everything you are
Is everything I need
You're everything to me
Baby every single part is who you're meant to be
'Cause you were meant for me, and you are everything I need
