Tom: Ab

(com acordes na forma de Capotraste na 1ª casa G)

verso 1:

I believe, I believe there's love in you
 Grid locked on the dusty avenues,
 Inside your heart, just afraid to go
 I am more, I am more then innocent
 But just take a chance and let me in
 And I'll show you ways that you don't know

Don't complicate it,
 Don't let the past dictate yeah
 I have been patient, but slowly I'm losing faaaath
 refrão

So pleeeeeease,
 I know you baby, I know you baby
 So pleeeeeease,
 I know you baby, I know you baby

I believe, I believe you could love me
 But you're lost on the road to misery
 And what I gave to you

I could never get back

Don't complicate it,
 Don't drive yourself insane yeah
 Say what you will but I know that you want to staaaaay
 refrão

So pleeeeeease,
 I know you baby, I know you baby
 So pleeeeeease,
 I know you baby, I know you baby

Bridge:

Chemicals rushing in,
 I know it's you that I belong to
 I'm burning like a cannonball in the air
 Crashing into who I belong to

I have been patient, but slowly I'm losinv faith

pleeeeeease,
 I know you baby, I know you baby
 So pleeeeeease,
 I know you baby, I know you baby!
