Tom: G

<sup>Em</sup> You gon' make make me a believer <sup>Am</sup>  
<sup>Em</sup> Even if that shit ain't true <sup>Am</sup>  
<sup>D</sup> You gon' make me commit murder <sup>Em</sup>  
<sup>D</sup> Baby, I'd kill for you <sup>Em</sup>

<sup>Em</sup> In my eyes <sup>Am</sup>  
<sup>Am</sup> Even if you are wrong, you are right <sup>Em</sup>  
<sup>Am</sup> Even if there is a terrible crime <sup>D</sup>  
<sup>Em</sup> It's alright, cause I got your back, and I know you got mine <sup>G</sup> <sup>D</sup>  
<sup>Em</sup> I belong to the church of your name <sup>Am</sup>  
<sup>Em</sup> Sing a song, cause I worship the ground you walk on <sup>D</sup>  
<sup>D</sup> If I pray for you, I know you'll be there <sup>Em</sup> <sup>G</sup> <sup>D</sup>

<sup>Em</sup> You gon' make make me a believer <sup>Am</sup>  
<sup>Em</sup> Even if that shit ain't true <sup>Am</sup>  
<sup>D</sup> You gon' make me commit murder <sup>Em</sup>  
<sup>D</sup> Baby, I'd kill for you <sup>Em</sup>

<sup>Em</sup> In my bed I believe every word that you've said <sup>Am</sup> <sup>Em</sup>  
<sup>Am</sup> Just a kiss and you make me forget <sup>D</sup>  
<sup>D</sup> All the bad, the battles we lost, the bodies we hid <sup>Em</sup> <sup>G</sup> <sup>D</sup>  
<sup>Em</sup> You don't know, just how far I'd be willing to go <sup>Am</sup> <sup>D</sup>  
<sup>Am</sup> You put the cracks into my moral code <sup>Em</sup> <sup>G</sup> <sup>D</sup>  
<sup>Em</sup> So you can count on me to always be there

<sup>Em</sup> You gon' make make me a believer <sup>Am</sup>  
<sup>Em</sup> Even if that shit ain't true <sup>Am</sup>  
<sup>D</sup> You gon' make me commit murder <sup>Em</sup>  
<sup>D</sup> Baby, I'd kill for you <sup>Em</sup>

<sup>C</sup> Oh, Lord, forgive my weary hands <sup>G</sup>  
<sup>D</sup> And for what they may do <sup>Em</sup>  
<sup>C</sup> I'll carry out his evil plans <sup>G</sup>  
<sup>D</sup> If he wants me to  
<sup>Em</sup> In your dream, you're drowning, I just waltzed in and saved

you <sup>C</sup>  
<sup>C</sup> I'm your alternate escape route, the altar you pray to  
<sup>G</sup> Your ultimate savior, your behavior is altered  
<sup>D</sup> Ain't your fault cause I made you  
<sup>D</sup> Brainwashed and persuade you  
<sup>Em</sup> Gibraltar, you're faithful, never falter or waver <sup>C</sup>  
<sup>C</sup> When you causing the danger I'm your guardian angel  
<sup>G</sup> Nobody can tell you shit, you've already made your  
<sup>D</sup> Mind just follow me, babe, you  
<sup>D</sup> Won't be sorry you stayed, you  
<sup>Em</sup> Always ride, whatever the plan is <sup>C</sup>  
<sup>C</sup> To the end, even if I led us into an ambush  
<sup>C</sup> Even if we robbed the First National <sup>G</sup>  
<sup>G</sup> And cops caught us redhanded <sup>D</sup>  
<sup>D</sup> They're coming at us, and we're trapped, put our backs up <sup>Em</sup>  
<sup>Em</sup> Against the wall, and it's too tall <sup>C</sup>  
<sup>C</sup> You catapult me or hold the ladder for me  
<sup>C</sup> Stay back to get captured, take the fall <sup>G</sup>  
<sup>G</sup> You make it all worth it <sup>D</sup>  
<sup>D</sup> Baby doll, you're perfect the way you are  
<sup>D</sup> Accidents happen  
<sup>Em</sup> All I know is you love me, that's really all that matters <sup>C</sup>  
<sup>C</sup> And any who cross our paths are just collateral damage  
<sup>G</sup> At your side, got your lateral, back, your front, <sup>D</sup>  
<sup>D</sup> Diagonal Backwards, blackbirds, we attack like animals <sup>Em</sup>  
<sup>D</sup> When they threaten what we have it's a natural reaction <sup>Em</sup> <sup>G</sup>  
<sup>Em</sup> You lay a bitch flat on her back in a second flat for me <sup>G</sup>  
<sup>G</sup> Who tries to take your man from you <sup>D</sup>  
<sup>D</sup> It's blasphemy, another casualty, you'll go whatever route  
<sup>Em</sup> Whatever you have to do, you blast for me  
<sup>Em</sup> I never doubt that you  
<sup>Em</sup> You gon' make make me a believer <sup>Am</sup>  
<sup>Em</sup> Even if that shit ain't true <sup>Am</sup>  
<sup>D</sup> You gon' make me commit murder <sup>Em</sup>
