

Skylar Grey - Kill For You (feat. Eminem)

Tom: G

^{Em} You gon' make make me a believer ^{Am}
^{Em} Even if that shit ain't true ^{Am}
^D You gon' make me commit murder ^{Em}
^D Baby, I'd kill for you ^{Em}

^{Em} In my eyes ^{Am}
^{Am} Even if you are wrong, you are right ^{Em}
^{Am} Even if there is a terrible crime ^D
^{Em} It's alright, cause I got your back, and I know you got mine ^G ^D
^{Em} I belong to the church of your name ^{Am}
^{Em} Sing a song, cause I worship the ground you walk on ^D
^D If I pray for you, I know you'll be there ^{Em} ^G ^D

^{Em} You gon' make make me a believer ^{Am}
^{Em} Even if that shit ain't true ^{Am}
^D You gon' make me commit murder ^{Em}
^D Baby, I'd kill for you ^{Em}

^{Em} In my bed I believe every word that you've said ^{Am} ^{Em}
^{Am} Just a kiss and you make me forget ^D
^D All the bad, the battles we lost, the bodies we hid ^{Em} ^G ^D
^{Em} You don't know, just how far I'd be willing to go ^{Am} ^D
^{Am} You put the cracks into my moral code ^{Em} ^G ^D
^{Em} So you can count on me to always be there

^{Em} You gon' make make me a believer ^{Am}
^{Em} Even if that shit ain't true ^{Am}
^D You gon' make me commit murder ^{Em}
^D Baby, I'd kill for you ^{Em}

^C Oh, Lord, forgive my weary hands ^G
^D And for what they may do ^{Em}
^C I'll carry out his evil plans ^G
^D If he wants me to
^{Em} In your dream, you're drowning, I just waltzed in and saved

you
^C I'm your alternate escape route, the altar you pray to
^G Your ultimate savior, your behavior is altered
^D Ain't your fault cause I made you
^D Brainwashed and persuade you
^{Em} Gibraltar, you're faithful, never falter or waver ^C
^C When you causing the danger I'm your guardian angel
^G Nobody can tell you shit, you've already made your
^D Mind just follow me, babe, you
^D Won't be sorry you stayed, you
^{Em} Always ride, whatever the plan is ^C
^C To the end, even if I led us into an ambush
^C Even if we robbed the First National ^G
^G And cops caught us redhanded ^D
^D They're coming at us, and we're trapped, put our backs up ^{Em}
^{Em} Against the wall, and it's too tall ^C
^C You catapult me or hold the ladder for me
^C Stay back to get captured, take the fall ^G
^G You make it all worth it ^D
^D Baby doll, you're perfect the way you are
^D Accidents happen
^{Em} All I know is you love me, that's really all that matters ^C
^C And any who cross our paths are just collateral damage
^G At your side, got your lateral, back, your front, ^D
^D Diagonal Backwards, blackbirds, we attack like animals ^{Em}
^D When they threaten what we have it's a natural reaction ^{Em}
^{Em} You lay a bitch flat on her back in a second flat for me ^G
^G Who tries to take your man from you
^D It's blasphemy, another casualty, you'll go whatever route
^{Em} Whatever you have to do, you blast for me
^{Em} I never doubt that you
^{Em} You gon' make make me a believer ^{Am}
^{Em} Even if that shit ain't true ^{Am}
^D You gon' make me commit murder ^{Em}
