

Slade - Can You Just Imagine

Tom: G

Can you just imagine being buried alive?
 Until you've tried it how can you tell?
 Can you just imagine having breakfast at five?
 Until you've tried it how can you tell?
 Did you put on a clever disguise?
 Let the camera roll through your eyes?
 Then you tell it the way that it really is, and we did
 We did, yeah, yeah, yeah, yeah, yeah, yeah, yeah
 Can you just imagine being there on the screen?
 Until you've tried it how can you tell?
 Can you understand that someone had to come clean?
 It goes to show you never can tell

Oh, did you put on a clever disguise
 And let the camera roll through your eyes?
 Did you tell it the way that it really is? And we did
 Oh yeah, we did, did, did, did, yeah, yeah, yeah, yay

- (Bb Gm)
- (Bb Gm)
- (Bb Gm)
- (G Ab F)

No, you don't have to mention no names
 There are some of us old just the same
 Then you tell it the way that it really is, and we did
 Oh yeah, we did, did, did, did, yeah, yeah, yeah, yay
 Did you realise it's not all rosy and gay?
 Until you've tried it how can you tell?
 Well if you're hard of hearing, better keep well away
 Until you've tried it how can you tell?

Did you put on a clever disguise?
 Then let the camera roll through your eyes?
 Then you tell it the way that it really is, and we did
 Oh yeah, we did, did, did, did, yeah, yeah, yeah, yay

- (Bb Gm Bb Gm)
- (Eb G Ab A)

There's a sweet magnolia blossom going round everybody's door
 Do your friends keep eating faster, a-keep a-coming back for more?
 Ooh-de-de-de-do-do-do-do-do-do-do-do-do-do-ooh

- (G Ab A)
- (G Ab A)
- (G Ab A)
- (G Ab A)
- (G Ab A)
- (Bb)

Acordes

Ukulele chord diagrams for the following chords: G, Bb, Gm, Eb, F, Dm, D, C, and Ab. Each diagram shows the fretboard with dots indicating finger positions. The diagrams are arranged in two rows: the first row contains G, Bb, Gm, Eb, F, Dm, D, C, and Ab; the second row contains A.
