

# Slash - By The Sword

tom:

Intro: Am C D G  
F G Am

With the horses that you ride  
And the feelings left inside  
Comes a time you need to leave all that behind  
Well they claim they'd like to know  
And they won't could let you go  
And they're gatherin' around for all the show

Well there is all we want  
To live and die by the sword  
Well they tried to complicate you  
But you left it all behind  
All the worldly possessions  
Are left for recollections  
And finally it's aaall gone

( Am C D )  
( F G Am )

They're releasing all the hounds  
What is lost can still be found  
When you're walking with your fear down on the ground  
Well there's those who choose to run  
Following the setting sun  
And now it seems the journey's has begun

Well there is all we want  
To live and die by the sword  
Well they tried to complicate you  
But you left it all behind  
All the worldly possessions  
Are left for recollections  
And finally it's aaall gone
