Well I know, you couldn't love me D Am
 Cause you're promised to a wealthy man G D
 Take a look, what are you seein'? D Am
 Is that a noose or a wedding band G D
 Should I go to see a healer D Am
 Nervous twitchin' in my hands G D
 Nervous twitchin' in my head D Am
 God help me rid this feelin' G
 Cause I'm fallin' all to pieces D
 And I can't get out of bed

REFRÃO Riff 1 Riff 2 Riff 3 e Riff 4

Beggars and hangers on
 Try to take you from me
 Someone with a Bible in his pocket
 Clouding everything you see

Beggars and hangers on
 They chip it away
 Bury your soul in the river
 Cause the end is here to stay
 God help me rid this feelin' D Am

Cause I'm fallin' all to pieces G
 And I can't get out of bed D

I was wrong D
 I don't need you Am

It seems reckless G
 And unfair D

Better days D
 Are far behind Am

Guess that's another cross G
 I'll have to bear

Solo: Cm B Ab

I know that there's a time and a reason Cm B Ab
 To take the ghost and lock it up inside Cm B Ab
 And maybe I am down Cm B Ab
 But I'm not beaten Like anything We were born to die
