Lyrics:

I've done overdose it doesn't mean shit
 One time what about you it doesn't bother me a bit
 My body is a weapon and my mind is decay
 And all you stupid assholes are here to see me die

I don't need you now so why don't you go away
 Your day will come real soon and your mind will be
 And everyone will fuck you, you're such a fucking whore
 And when I see you standing there
 I just don't want no more
 I don't want your problem
 Sopping all the time
 I can't even go
 When I don't even have the time

I want everything and every thing wants me
 I want everything and every thing comes out of me

I want free money
 I want free money
 I want free money
 I want free money

Life is slavery working 9 to 5
 Waste your time working
 You might as well die

I want everything and every thing wants me
 I want everything and every thing comes out of me

Life is slavery working 9 to 5
 Waste your time working
 You might as well die
