Chorus with chorus riff (1 time)

Then bridge riff (2 times)

Second solo - play bridge riff twice behind it.

End of solo: hold out **E** chord, pick slides, long hold

Then end with this riff (once):

Lyrics:

Come walk with me through endless time
 See what has been and what the future sees
 Share the wisdom of the old world that has passed
 Step in a life that's yet to be born

You spill the blood
 Eternal soul

I'll show you sights that you would not believe
 Experience pleasures thought unobtained
 At one with evil that has ruled before
 Now smell the stench of immortality

You spill the blood
 Eternal soul

Spill the blood, let it run onto me
 Take my hand and let go of your life
 Close your eyes and see what is me
 Raise the chalice. Embrace forevermore.

You've spilt the blood
 I'll have your soul
