

# Sleep Token - The Apparition

tom:  
 Dbm  
 Why are you never real?  
 Whenever you appear  
 You leave me with that grace  
 I am trembling with fear  
 But I know that you will disappear  
 Just as I awake  
 Whisper in my ear  
 Well I believe  
 Somewhere in the past  
 Something was between  
 You and I my dear  
 And it remains  
 With me to this day  
 No matter what I do  
 This scar will never fade  
 So let's make trouble in the dream world

Dbm Gbm  
 Hijack heaven with another memory now  
 Dbm Gbm  
 I make the most of the turning tide  
 Dbm Gbm  
 It just split what's left of the burning silence  
 Dbm Gbm  
 Don't wait, cause this could be the last time  
 Dbm Gbm  
 You turn up in the reveries of my mind  
 Dbm Gbm  
 I wake up to a suicide frenzy  
 Dbm Gbm  
 Loaded dreams still leave me empty  
 Dbm  
 I believe  
 Somewhere in the past  
 Dbm  
 Something was between  
 Abm  
 You and I my dear  
 Dbm  
 And it remains  
 With me to this day  
 Gbm  
 No matter what I do  
 Abm  
 This wound will never heal  
 Dbm Gbm  
 Why are you never real?  
 Abm  
 The shifting states you follow me through  
 Dbm Gbm  
 Unrevealed  
 Abm  
 Just let me go or take me with you
