

Sleeping At Last - Daughter

tom:

C

If only you knew **C**

The sunlight shines a little brighter **F**

The weight of the world's a little lighter **Am**

The stars lean in a little closer **F**

All because of you **C**

I want to see **C**

You lift your chin a little higher **F**

Open your eyes a little wider **Am**

Speak your mind a little louder **F**

'Cause you are royalty **C**

F

This is your kingdom

This is your crown **G** **C**

This is your story **F**

This is your moment **G**

Don't look down

C **Am**

You're ready, born ready **F** **C**

And all you gotta do **Am** **G**

Is put one foot in front of you **C** **Am**

Our ceiling is your floor **F** **C**

And all you gotta do **Am** **G**

Is put one foot in front of you

If only you knew **C**

If only you knew **C**

The forests grew a little greener **F**

The roots reach in little deeper **Am**

The birds all sing a little sweeter **F**

All to welcome you **C**

I want to see **C**

Your happily ever after **F**

That you know in your heart that you matter **Am** **F**

That you are royalty **C**

F

This is your kingdom

This is your crown **G** **C**

This is your story **F**

This is your moment **G**

Don't look down

C **Am**

You're ready, born ready **F** **C**

And all you gotta do **Am** **G**

Is put one foot in front of you **C** **Am**

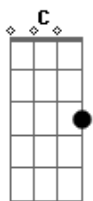

Our ceiling is your floor **F** **C**

And all you gotta do **Am** **G**

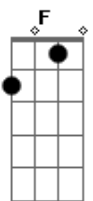

Is put one foot in front of you **C**

If only you knew
