Tom: Eb  
Intro: Eb Eb Cm Gm Ab Fm Ab Bb

Eb Eb  
I've waited a hundred years  
Cm Gm Ab Fm Ab Bb  
I'd wait a million more for you

Nothing prepared me for  
What the privilage of being yours  
Would do

Gm Cm  
If I had only felt  
Ab Eb  
The warmth within your touch  
Gm Cm  
If I had only seen  
Ab Eb Eb  
How you smile when you blush  
Gm Cm  
Or how you call your lip  
Ab Eb  
When you concentrate enough  
Bb  
I would have known  
Cm Ab  
What I was living for all along  
Eb  
What I've been living for  
Your love is my turning page

Where only the sweetest words are made

Every kiss is a cursive line  
Every touch is a redefined phrase

I surrender who I've been  
For who you are  
Nothing makes me stronger than  
Your fragile heart  
If I had only felt how it feels  
To be yours  
Then I would have known  
What I've been living for all along  
What I've been living for
