

# Sleeping With Sirens - Alone

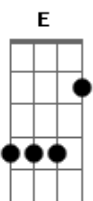

Tom: E

(com acordes na forma de Capotraste na 2ª casa (Em G D A ) (x4)

Em G  
 Could you check my pulse for me  
 D A  
 To see if I'm alive  
 Em G  
 Cause every time that I am near you  
 D A  
 Is the only time I feel alright  
 Em G  
 If there were any way  
 D A  
 I could think to turn back time  
 Em G D A  
 I'd stay here with you  
 Em G  
 Sometimes I sit and wonder  
 D A  
 Sometimes I feel like letting go  
 Em G D A  
 All I know is no one should have to be alone  
 Em G D A  
 I don't want to be alone  
 Em G D A  
 I don't want to die alone  
 Em G D A  
 I could fall apart here and now  
 Em G D A  
 I don't want to die alone  
 Em G D  
 I want to be with you you you  
 A Em G D A  
 I only want to be with you you you  
 Em  
 Tell me what's the point of life  
 G  
 Is it material?  
 D A  
 Had everything I could ever want and probably more  
 Em  
 When I lay in bed at night  
 G  
 All I do is think of you  
 D A  
 So when all this is gone what do I have to come home to?  
 Em  
 This life goes by so fast  
 G  
 Pretty soon I'll grow old  
 D A  
 What would I have but some stories now that I have told  
 Em  
 No one to share them with  
 G  
 And when it's all done  
 D  
 What am I left with?  
 A  
 Tell me what's left

Em G D A  
 I don't want to be alone  
 Em G D A  
 I don't want to die alone  
 Em G D A  
 I could fall apart here and now  
 Em G D A  
 I don't want to die alone  
 [MGK:]  
 Em  
 Leave me?  
 G  
 How the fuck you gonna leave me?  
 D  
 When I'm the one that's on TV  
 With these fillies screaming  
 Outside with my CD  
 A  
 And I'm begging?  
 Naw baby you're the one that can't keep me  
 Em  
 Leave me?  
 G  
 Filly how the fuck you gonna leave me?  
 D  
 You know I love you when we fight and we argue  
 A  
 I kiss and I hug you  
 You push me back you say that I'm trouble  
 Em  
 But every Bonnie got a Clyde with her  
 G D  
 Every mare needs somebody that's gonna ride with her  
 And I can't go on staying alive if I'm alone  
 A  
 Pick up the phone and say hello  
 I'd rather die with her  
 Em  
 Now my night's so cold  
 When your heart is frozen  
 Mine's exposed you know this  
 G  
 Try to blame the fame for the way I've changed  
 And you know those claims are bogus  
 D  
 Baby it's not me it's us  
 Maybe now all we need is trust  
 A  
 Maybe this Hennessy will solve our problems  
 Baby pick it up  
 [Kellin]  
 Em G D A  
 I don't want to be alone  
 Em G D A  
 I don't want to die alone  
 Em G D A  
 I could fall apart here and now  
 Em G D A  
 I don't want to die alone  
 [x2]  
 Em G  
 Could you check my pulse for me  
 D A  
 To see if I'm alive
