

# Sleeping With Sirens - Better Off Dead

tom:

Bm

[Primeira Parte]

Bm  
She says she wants to end it all  
When she's all alone in her room  
She cries  
The way she feels inside  
Is too much for her  
When all you got is these four walls  
It's not that hard to feel so small  
Or even exist at all  
How come no one heard her when she said

[Refrão]

Maybe I'm better off dead  
If I was would it finally be enough  
To shut out all those voices in my head?  
Maybe I'm better off dead  
Better off dead!  
Did you hear a word  
Hear a word I said?  
This is not where I belong  
You're gonna miss me when I'm gone

[Segunda Parte]

Gone, gone  
This is not where I belong  
You gonna miss me when I'm gone  
She doesn't know she's beautiful  
Because no one's ever told her so  
And the demons that she has  
Is all she knows  
And maybe she can fall in love  
With someone in her life  
That she could trust  
And tell her she's enough  
(Have someone tell her she's enough?)  
How come no one heard her when she said

[Refrão]

Bm

Maybe I'm better off dead  
If I was would it finally be enough  
To shut out all those voices in my head?  
Maybe I'm better off dead  
Better off dead!  
Did you hear a word  
Hear a word I said?  
This is not where I belong  
You gonna miss me when I'm gone  
This is not where I belong  
You gonna miss me when I'm gone

[Terceira Parte]

When all you got is these four walls  
It's not hard to feel so small  
When all you got is these four walls  
It's not hard to feel so small  
All she wanted was to be enough  
All she wanted was to be enough  
So what does it take?  
Maybe it's not too late  
Yeah no one heard her when she said

[Refrão Final]

Maybe I'm better off dead  
If I was would it finally be enough  
To shut out all those voices in my head?  
Maybe I'm better off dead  
Better off dead!  
Did you hear a word  
Hear a word I said?  
This is not where I belong  
You gonna miss me when I'm gone  
Gone, gone  
This is not where I belong  
You gonna miss me when I'm gone  
Gone, gone  
This is not where I belong  
You gonna miss me when I'm gone
