

# Sleeping With Sirens - Dead Walker Texas Ranger

Tom: C

Am  
A taste for blood  
C  
wont hold them back  
G  
with nails that cut like razors  
Am  
hungry for flesh  
C  
see the undead hot on our trails they chase us  
Am  
we need a place  
C  
somewhere to hide  
G  
where they wont think to go inside  
C  
watch as your darkest fears return to life (your sins will  
find you out)

Am  
Dont bother sleeping without one eye open wide  
C  
theres creatures in the night to haunt you  
Am  
their arms are reaching out to hold you tight  
C  
your demons come alive to chase you  
G

Am C G (x2)  
(ba dada dada da da da da da, dadda da da dadda da da)

Am  
Nowhere to run theyre closing in on us  
C  
I can see the faces in the windows staring in at us  
Am  
Dont bother sleeping without one eye open wide  
C  
theres creatures in the night to haunt you  
Am  
their arms are reaching out to hold you tight  
C  
your demons come alive to chase you  
G

Am  
Jesse you take the front door,  
C  
Justin and Jack you take the back.  
Am  
If anything comes in, you put a bullet in their fucking

brains!  
Am  
Were coming out of this alive, we wont become like them.  
Am  
Were leaving here tonight  
C  
Were leaving alive!  
G

Am  
No way to stop  
C  
what has been done  
G  
youve felt the bite, now youll be one  
Am  
dont tell your friends what youve become  
C  
Youre not the same  
G  
cuz I can see it in your eyes  
Am  
I can see it on your face  
C  
Youre hoping for a taste  
Am  
Do you feel your blood starting to boil within your skin?  
C  
Do you feel your stomach turning?  
Am  
You know that its the end!  
G

THIS IS THE END  
Am  
No turning back now your under its spell  
Am  
We have no choice, but to send your body back to hell  
C  
Am  
Dont bother sleeping without one eye open wide  
G  
theres creatures in the night to haunt you  
Am  
their arms are reaching out to hold you tight  
C  
your demons come alive to chase you  
Am (x2) C G

Am  
Here they come!  
C  
Theres nowhere left to run  
Am  
Fuck!
