

# Sleeping With Sirens - Dont Fall Asleep At Helm

Tom: **C**

**Am**  
I lost my heart, my home is the ocean.  
**F**  
The waves underneath will soon be my home.

**Am**  
I will fall asleep.  
**F**  
I'll close my eyes and dream of days when I wasn't all alone.

Chorus:

**Am**  
All that I know is gone  
(Take what is left of me now)

**F**  
All that I know is gone  
(Take what is left of me)

**C**  
Fall deeper and deeper, the sirens are singing your songs. **Am**

Verse2:

**Am**  
I'll miss my breath, there's no more left.

**F**  
I'll miss the sound of the wind at my back.  
The depths have a number, they call you by name.

**Am**  
Fall asleep, Davy Jones calls you.

**F** **C** **F**  
So fall asleep, fall asleep and dream.

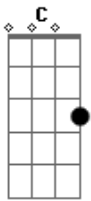

Chorus:

**Am**  
All that I know is gone  
(Take what is left of me now)

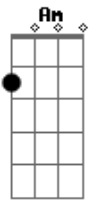

**F**  
All that I know is gone  
(Take what is left of me)

**C** **Am**  
Fall deeper and deeper, the sirens are singing your songs.  
(x2)
