

Sleeping With Sirens - Dont You Ever Forget About Me

Tom: **D**

Intro: **D A**

D
The hardest thing I'd ever do is say goodbye
and walk slowly away from you,
But I'll do it.
And after all this time I shared with you,
it seems unfair to leave with nothing more
than blank stares, but I'll do it.
If it's for the best then I wish you well,
if it helps to say our life was a living hell,
well then do it, then do it, then do it.

D
Don't you ever forget about me,
When you toss and turn in your sleep,
I hope it's because you can't stop thinking about
the reasons why you close your eyes,
I haunt your dreams at night,
So you can't stop thinking about me,
don't stop thinking about me.

(**D A**)

D
Do you really think you could see this through,
put on a smile, and wear it for someone new?
Don't you do it.
Cause I know I'm not the easiest one to love,

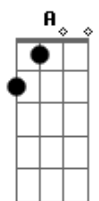

but every ounce I have, I'd invest in you.
No one said love's not for taking chances.

D
Don't you ever forget about me,
When you toss and turn in your sleep,
I hope it's because you can't stop thinking about
the reasons why you close your eyes,
I haunt your dreams at night,
So you can't stop thinking about me,
don't stop thinking about me.

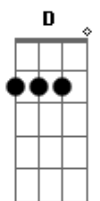

Em
Will you take me back in the morning,
If i promise to never act this way again?
Cause I'm so bad at being lonely,
but I don't know how, I don't know how.

D
So don't you ever forget about me,
don't you ever forget about me.
Don't you ever forget about me,
When you toss and turn in your sleep,
I hope it's because you can't stop thinking about
the reasons why you close your eyes,
I haunt your dreams at night,
So you can't stop thinking about me,
don't stop thinking about me.
Just close your eyes and fall asleep tonight.
