

# Sleeping With Sirens - Heroine

Tom: **Bb**

(com acordes na forma de Capotraste na 3ª casa **G**)

**C** **Am** **G**  
My eyes roll back

**Bm** **Em** **C**  
The ceiling fades

**Am** **G**  
I breathe you in

**Bm** **D** **C**  
Exalt your flames

**Am** **G**  
Let's lose our minds

**Bm** **Em** **C**  
Come here to me

**Am** **G**  
We're wasting time

**Bm** **D** **Em**  
Darling, can you hear me?

**C** **Em** **G**  
Heroine, my sweetest sin  
**Bm** **D** **C**  
I can't seem to get enough

**Em** **G**  
Pull me under, wake me up  
**Bm** **D** **C**  
Feel the rush

**Em** **G**  
Morphine lover, make me numb  
**Bm** **D** **C**  
Make it so I can't get up

**G** **Bm**  
Paper thin 'til you sink in  
**D** **C**  
Could you be my heroine?

**Am** **G**  
Do you feel exposed?

**Bm** **Em** **C**  
Let your feelings show

**Am** **G**  
Can I taste you, can I replace you? I...

**Bm** **D** **C**  
Need to know

**Am** **G**  
Let's lose our minds

**Bm** **Em** **C**  
Please stay with me

**Am** **G**  
We're wasting, yeah, we're wasting time

**Bm** **D** **Em**  
Why don't you believe me?

**C** **Em** **G**

Heroine, my sweetest sin

**Bm** **D** **C**  
I can't seem to get enough

**Em** **G**  
Pull me under, wake me up

**Bm** **D** **C**  
Feel the rush

**Em** **G**  
Morphine lover, make me numb

**Bm** **D** **C**  
Make it so I can't get up

**G** **Bm**  
Paper thin 'til you sink in

**D** **C**  
Could you be my heroine?

**C**  
It starts with the spins

**Em** **G**  
And you got me swimming... and...

**C**  
I'm falling to pieces

**Em** **G**  
And I won't be whole...

**C**  
'til you let me in

**Em**  
'til you let me in

**C**  
Until you let me in

**Em**  
'til you let me in, oh

**C** **Em** **G**  
Heroine, my sweetest sin

**Bm** **C**  
I can't seem to get enough

**Em** **G**  
Pull me under, wake me up

**Bm** **D** **C**  
Feel the rush

**Em** **G**  
Morphine lover, make me numb

**Bm** **D** **C**  
Make it so I can't get up

**G** **Bm**  
Paper thin 'til you sink in

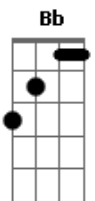

**D** **C**  
Could you be my heroine?

**Bm** **C**  
My heroine

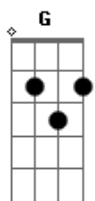

**Bm**  
My heroine

**Em**  
Could you be my heroine?
