

Sleeping With Sirens - James Dean

Tom: B

Abm
 Stay for tonight
 If you want to
 I can show you
 What my dreams are made of,
 as I'm dreaming of your face
 I've been away for a long time
 Such a long time
 And I miss you there
 I can't imagine being anywhere else
 I can't imagine being anywhere else but here
 How the hell did you ever pick me?
 Honestly, I could sing you a song
 But I don't think words can express your beauty
 It's singing to me
 How the hell did we end up like this?
 You bring out the beast in me
 I fell in love from the moment we kissed
 Since then we've been history
 They say that love is forever
 Your forever is all that I need
 Please stay as long as you need
 Can't promise that things won't be broken
 But I swear that I will never leave
 Please stay forever with me

It goes to show, I hope that you know that you are
 What my dreams are made of
 Can't fall asleep, can't fall asleep
 I lay in my bed awake, in my bed awake at night
 As I dream of you
 I'll fall in love, you'll fall in love
 It could mean everything, everything to me
 I can't imagine being anywhere else
 They say that love is forever
 Your forever is all that I need
 Please stay as long as you need
 Can't promise that things won't be broken
 But I swear that I will never leave
 Please stay forever with me
 The way that we are
 It's the reason I stay
 As long as you're here with me
 I know we'll be Ok
 The way that we are
 It's the reason I stay
 As long as you're here with me
 I know I'll be Ok
 They say that love is forever
 Your forever is all that I need
 Please stay as long as you need
 Can't promise that things won't be broken
 But I swear that I will never leave
 Please stay forever with me
