Tom: C

Am C F  
Every day is all the same  
Am C F  
Like no matter what the reason is the seasons never change  
Am C F  
I think of all the time I spend  
Am G F  
Drifting far away and zoning out as I'm clocking in  
Dm Em F  
Tell my loved ones that I wish them well

There's a fire in this November sky  
F G  
It's burning up, burning up

Their alarms ring in the sky (sky)  
Am C F  
The voices sing the lullabies as the ashes learn to fly  
(ashes learn to fly)  
Am C F  
And this will be my holiday  
Am C F  
No more living with my fears 'cause I gave them all away
