Tom: D

(com acordes na forma de Capostrate na 2ª casa C)
Intro: C F Am F

The ^Cfray, the ^Ffriction
It's the ^{Am}reason that we all ^Fbecome aware.
And we ^Cchange for no ^Freason;
Some say it's ^{Am}better to fall ^Fasleep and ^Gdisappear.

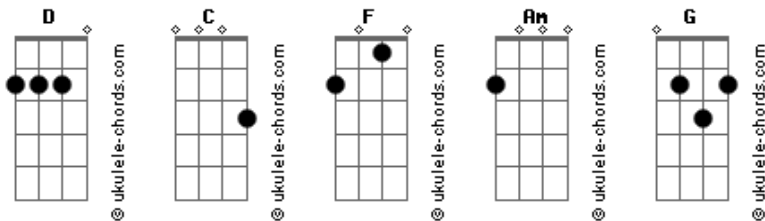

And ^Fsoon we'll finally ^Glook at what we've done,
And ^Cwake up.

So ^Chere we ^Fare,
Waiting for a ^{Am}phone,
And on the ^Fradio they're calling up ^Fsatellites like they're
going to ^Csave
Us ^Call,
So ^Fhere we ^{Am}are,
I ^Fguess I'm ^{Am}praying after all,
We're ^Fcalling all, calling all ^Fsatellites;
This is a ^Cwake up ^Fcall.

A ^Ccall for ^Ffreedom;
Ain't that ^{Am}the ^Freason that we are ^Falive?
And we ^Cwaste our ^Flives on the ^{Am}wasted,
Until there's ^{Am}nothing ^Fleft for us to ^Fjustify;
Oh, I ^Cdon't ^Fget it.
