

# Sleeping With Sirens - Scene One - James Dean And Audrey Hepburn

tom:  
Am

Stay for tonight

If you want to  
I can show you

What my dreams are made of

As I'm dreaming of your face

I've been away for a long time

Such a long time  
And I miss you there

I can't imagine being anywhere else

I can't imagine being anywhere else but here

[Instrumental]

[Primeira Parte]

How the hell did you ever pick me?

Honestly, I could sing you a song

But I don't think words can express your beauty

It's singing to me

How the hell did we end up like this?

You bring out the beast in me

I fell in love from the moment we kissed

Since then we've been history

[Refrão]

They say that love is forever

Your forever is all that I need

Please stay as long as you need

Can't promise that things won't be broken

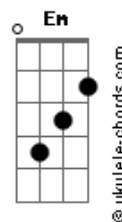

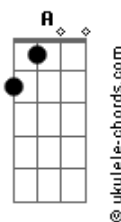

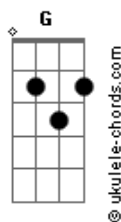

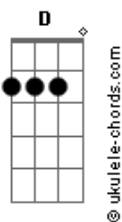

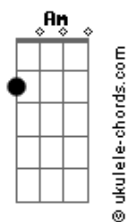

But I swear that I will never leave

Please stay forever with me

[Ponte]

(If you want to, I can show you) X2

## Acordes

[Segunda Parte]

It goes to show, I hope that you know that you are  
What my dreams are made of

And I can't fall asleep

I lay in my bed awake at night

And I'll fall in love, you'll fall in love

It could mean everything, everything to me

Ooh, this could mean everything to me

[Refrão]

They say that love is forever

Your forever is all that I need

Please stay as long as you need

Can't promise that things won't be broken

But I swear that I will never leave

Please stay forever

[Ponte]

The way that we are

It's the reason I stay

As long as you're here with me

I know I'll be Ok
