

Sleeping Wolf - The Wreck Of Our Hearts

Tom: A
Intro: A

We were drifting all night
Losing hold of the light
But I saw in your eyes
I was never alone
Even when it got hard
When the shore was too far
Even there in your arms
I've always been home

D A D E
Oooooooooo

So sing while we're falling apart
I'll take you dancing
We lived through the wreck of our hearts
And now we're
Just picking up the pieces
Learning how to see when
Love is in the dark

There's a cold empty room
There's a windowless view
There's a me without you
But that's not where I belong
Through the waves of the deep

And the storms of the sea
I have you and you me
We're not too far gone

So sing while we're falling apart
I'll take you dancing
We lived through the wreck of our hearts
And now we're
Just picking up the pieces
Learning how to see when
Love is in the dark

Love is in the dark
Love is in the dark
Love is in the dark
HMMMMMMMM

(E)

So sing while we're falling apart
I'll take you dancing
We lived through the wreck of our hearts
And now we're
Just picking up the pieces
Learning how to see when
Love is in the dark
Love is in the dark

[Final] A E A

Acordes

Diagram showing five ukulele chords: A, D, E, Gbm, and Gb. Each diagram shows the fretboard with dots indicating finger positions. The A chord has dots on the 2nd fret of the 1st string and the 2nd fret of the 4th string. The D chord has dots on the 2nd fret of the 1st, 2nd, and 3rd strings, and the 2nd fret of the 4th string. The E chord has dots on the 2nd fret of the 1st, 2nd, and 3rd strings, and the 4th string is open. The Gbm chord has dots on the 2nd fret of the 1st string, the 2nd fret of the 2nd string, and the 2nd fret of the 4th string. The Gb chord has a bar across the 2nd fret of the 1st and 2nd strings, a dot on the 2nd fret of the 3rd string, and a dot on the 2nd fret of the 4th string.
